Foresight Strategies Group Announces Launch of Business Vitality Test

HUDSON VALLEY, NY April 11th, 2016 — Dr. Nilda Perez, President of Foresight Strategies Group LLC (FSG) announced the launch of the Business Vitality Test along with the website. FSG offers insight into discovering, attracting and captivating, an untapped market.

In these rapidly changing times you want to ensure that your business is innovative, creative and is continuously evolving. The Business Vitality Test consists of an online questionnaire that evaluates your business' innovative strength. The test identifies critical factors that impact your business growth. FSG evaluates business vitality, market trends, develop thought leadership, innovation and strategic positioning to ensure sustainable growth going forward.

Having recently re-branded Aspire 4 Business to Foresight Strategies Group (FSG), the new site launched April 25th, 2016. Visit FSG at the new web address at www.foresightstrategiesgroup.com. FSG's web-design is client-centric, easily navigable in locating the information you need. Browse through our many client testimonials and stay tuned for upcoming events, seminars and podcasts with links to register to hear from Dr. Perez.

As a leading authority on foresight strategy, Dr. Nilda Perez's blog post shares valuable insights and expertise into how to strategically position your organization for the 21st Century.

Sign up online FSG's core services: coaching, consulting, training and mastermind. The FSG mastermind group is specifically designed for challenging brainstorming sessions, education, peer accountability and group support in order to sharpen your business and personal skills.

If you experience any problems using the new website or if you have any questions or suggestions please contact us at info@drnildaperez.com.
